

### APPLICATION

Harmony™ disk silencers feature improved insulation capabilities and advanced heat retention in a space-saving design. This low profile silencer provides extraordinary performance in a compact size, and is excellent in applications where size restriction is a critical factor.

### CONSTRUCTION

Includes a compressed thermal/acoustical fiberglass packed shell. In addition to its acoustical value, the two inch thick packed shell provides a significant reduction in the outer surface temperature. Actual values depend on the exhaust temperature and ambient conditions. Comes standard with bottom mounted 29-H brackets, with the option of top mounted brackets.

### FINISH AND OPTIONAL MATERIALS

Heavy duty steel construction with a high heat powder coat finish. Flanged inlet and outlet standard. Additional connections, as well as flush mounted inlets, are available. Stainless steel available. Call factory for details.

Part Number	A Inlet Size	B Diameter	C OAL	E	G	H	WT
1-5-4	4	28	32	22.07	8.5	9	141
